

The content on this website is updated frequently and is subjected to change at any time without prior notice. Tal Ventures FX has taken reasonable measures to ensure the accuracy, timeliness and reliability of the information on the website. However, this does not guarantee that the information on our website is error free and completely accurate. You should always exercise discretion and precaution when intending to apply or use the information on our website. Tal Ventures FX is not liable for any direct, indirect, consequential, special, incidental or punitive damages resulting from or in connection with the content or your inability to access the website, for any delay in, loss of data or profits, malfunction of the software, programme or services or failure of the transmission or the receipt of any instruction or notifications sent through this website.

The information provided on this website is for the sole purpose of assisting traders to make independent investment decisions. Any suggestions, ideas, news, reports, analysis, prices, or other information contained on this website is provided for your general knowledge only, and does not constitute investment advice. Tal Ventures FX may contain advice and content from third party users and we are not obligated to pre-screen each and every comment. It is your responsibility to carefully evaluate the reliability, accuracy and trustworthiness of the information. You should also seek professional help before applying any suggestion or advice from the website. Tal Ventures FX refutes all liability in connection or resulting from the use of the content on the website.

Language Discrepancies

This Policy has been drafted in the English language. In the event of any discrepancy between the meanings of any translated versions of this Agreement and the English language version, the meaning of the English language version shall prevail.
